JESSE M. FURMAN, United States District Judge:

Pursuant to the Court's resolution by phone of a discovery dispute between the parties during Plaintiff's deposition, each party was permitted to designate portions of the transcripts of Plaintiff's deposition as confidential. On November 19, 2020, Defendant filed a letter designating as confidential various portions of the transcripts.

Unless and until the Court orders otherwise, any document containing or describing these portions of the transcripts is deemed confidential and must be filed under seal or in redacted form in the first instance. The Court will then evaluate the propriety of maintaining such materials under seal in light of the presumption in favor of public access to judicial documents. The Clerk of Court is directed to mail a copy of this Order to Plaintiff.

SO ORDERED.
